

Vrinda Store Sales Analysis

Data Insights & Strategic Recommendations

Key Insights

Customer Demographics

Women contribute significantly more to overall sales volume than men.

Key Customer Base

The most active and highly-engaged shoppers belong to the Adult age group (30-49 years).

Top Performing States

The states generating the highest revenue are Maharashtra, Karnataka, and Uttar Pradesh.

Sales Channels

Over 80% of total sales are driven by three primary e-commerce channels: Amazon, Flipkart, and Myntra.

ACTION PLAN

Strategic Recommendation

To further grow business in 2023, it is recommended to specifically target women customers aged 30-49 in Maharashtra, Karnataka, and Uttar Pradesh by offering them special discount coupons on platforms like Amazon and Flipkart.
